

Seeking innovative ideas!

SDSU students, faculty & staff

Apply for the

Alcohol & Other Drugs (AOD) Task Force Project Funding

Purpose: Address the prevention, intervention, and/or awareness of alcohol and other drug-related issues on campus

- Provides one-time funds for students, faculty, and staff

Seeking: Innovative projects within the SDSU community

- Implement additional support via projects and programming that address AOD task force goals and vision

Goal: Complement existing AOD Task Force programs with innovative projects and programs

Funding: \$3,000 available

- Applications reviewed continuously- apply before the funds run out!
- A maximum of \$3,000 may be allocated per organization, entity, or individual per year
- Funding may be used for programs, events, travel, conferences, and/or professional development if there is a clear connection to the stated purpose
